Admiral George W. Anderson, Jr., USN (Ret.)
 Chairman
 President's Foreign Intelligence Advisory Board
 Washington, D. C.

Dear Admiral:

In accordance with our discussion on HUMINT at our meeting on August 1, 1974, I am sending herewith a copy of the PFIAB HUMINT report from which the particularly sensitive portions have been excised.

As you will recall, we agreed that it would be useful for the USIB members to see appropriate portions of the report. I propose to forward copies of the enclosed report to the USIB principals and members of the USIB Human Sources Committee upon receiving your approval. I believe the enclosed copy retains the key points and basic thrust of the original.

To facilitate your review the enclosure contains (TAB A) a list of proposed excisions from the original report, and (TAB B) a copy of the report with the suggested excisions.

Sincerely,

W. E. Colby
